Delock Protection Bag for 2.5″ SSDs, external Enclosures or Hard drives up to 12 x 8 x 2 cm

Description

This practical protection bag by Delock not only impresses with its **modern design**, but also offers space for SSDs, external enclosures or hard drives up to 12 x 8 x 2 cm. In addition, cables can also be stored safely and in a space-saving manner thanks to the inner mesh pocket.

Water-repellent and shock-proof
The material of the bag is water-repellent and protects the contents from light impacts thanks to the hard shell. The zip makes it easy to open and close.
